

Summer 2018

Dear Equestrian Supporter,

Round up your posse, saddle up your horse, and come out for the 12th annual Ride & Stride and Horse Heritage Festival at Walnut Grove Park on Sunday, October 21st.

The 'Ride & Stride' has 2 levels of participation (*ride or walk; dogs on leash welcome*):

Pre-register for the Ride and Stride at the \$100 level by September 29th and you'll have a chance to win 2 Tickets and Preferred Parking for the Mountain High Tour: Dierks Bentley with Brothers Osborne & Lanco on October 12th at Mattress Firm Amphitheater.

- \$35 level: receive a commemorative T-shirt, swag bag, and a prize raffle ticket.
- \$100 Prize level: receive commemorative T-shirt, complimentary lunch, event swag, and a chance to win high value prizes!

We encourage the "two legged" contingent to join in and bring their other Best Friend for fun and festivities. **Following the "Ride & Stride", family fun activities abound. Join us for pony rides, frontier games, horsemanship demonstrations, hands on exhibits, arts and crafts, food, San Marcos FFA petting corral and plant sale.**

We are asking participants to involve their network of family, friends and neighbors in this horse community fundraising effort. All contributions collected are fully tax deductible and support this public facility that is used for so much, including equestrian events, trail staging and emergency evacuation. The Horse Heritage Festival promotes the rich cultural history of San Marcos and the importance of preserving a rural and equestrian presence within the community. Participation by riding clubs and organizations furthers the cohesiveness of our equestrian community and demonstrates our strong support for this horse park.

This event is a collaboration of efforts from the local clubs, organizations, and businesses which have a presence in our Valley.

Please contact me if you have any questions at 760-744-9128.
